

All CCU offices will be CLOSED Monday, May 13th

Cloverbelt Credit Union is upgrading data systems on Monday, May 13th and all offices will be CLOSED for the day. Staff will not be available by phone during this time. We'll reopen Tuesday, May 14th with our usual hours and services.

During this upgrade, members will not have access to CU-Online or our Mobile App. Debit and ATM cards will work but at times will have lower transaction approval limits (\$150 for PIN transactions and \$250 for other transactions). ACH transactions, outgoing bill payments, mail and night deposit transactions will be processed after the upgrade is completed.

CU-Online, our Mobile App, and card access will return to normal later in the day after the upgrade and testing are completed.
