

Don't Fall for This Text or Email Scam

"Your package delivery is delayed."

With the prevalence of online ordering, package delivery scam texts and emails are increasing, especially around the holidays. Scammers know the chance of someone expecting a package delivery is high and they count on you being anxious thinking it's delayed. The messages may be vague or appear to be from UPS, FedEx, or the USPS and state they're having problems delivering your package, including a link for you to provide delivery instructions. The link actually takes you to a bogus website that prompts you to input personal or credit card information that is then used to steal your identity or scam you. The link may also install malware on your phone or computer giving the scammer access to your device. Most online companies provide a package tracking number for your order so you can check the delivery status online. **Remember: Only use the legitimate website for UPS, FedEx, or the USPS to track your package and NEVER CLICK ON A TEXT or EMAIL LINK from an UNKNOWN SENDER.**

Tax Payments

As a service to our members, CCU will accept City of Wausau and Village of Weston property tax payments. The City of Wausau has three installment dates: typically January 31, April 30 and July 31. CCU will accept deposits for all three installments. However, we will only accept payments for the first installment (January 31) for the Village of Weston. Second installment tax payments for Weston must be paid directly to the Marathon County Treasurer.
