

Happy 25th CCU Anniversary Monica!

Please join us in congratulating Monica Bogen on her 25 years of dedicated service to the members of Cloverbelt Credit Union.

Monica joined the credit union in 1999 as a teller and quickly moved into Membership Services at the Weston office. After a short time as Loan Processor at the Wausau East office Monica moved to our Wausau West office in 2005 as Loan Officer. In 2020 Monica became a Senior Loan Officer, taking on mortgage lending before joining our Mortgage Center team as a full-time Mortgage Specialist.

Thank you, Monica! We are grateful for your many years of steadfast support and outstanding member service. Here's to you ... Happy 25th CCU anniversary!

Angela Schmirler NEW WESTON OFFICE MANAGER

Angela Schmirler started her CCU career at the Weston office in 2001 as a Teller. Over the past 23 years, she has worked in a variety of positions within the credit union making her uniquely qualified for the role of branch manager. "It's great to be back in Weston," she said. "It's definitely been full circle for me and I look forward to working with members again." When you're in the area, stop in and welcome Angela back to Weston!

Weston's previous office manager, Lynn Thompson, has assumed a position at CCU's Wausau East office as an Operations Support Specialist.

PRESIDENT'S MESSAGE

As we embrace the opportunities and challenges of the year, I am excited to connect with you through our newsletter. At CCU, our commitment to your financial well-being remains unwavering. We are dedicated to providing you with exceptional service, innovative products, and personalized solutions that meet your evolving needs. Whether it's through our competitive rates on savings and certificates, flexible loan options, or convenient digital banking platforms, we continue to prioritize your satisfaction and help you achieve your financial goals and dreams.

Engaging and supporting our young members is crucial for the growth and future of our credit union. CCU supports youth and their education through the scholarships we give, our A-Team program, with our Lucky the Lion Saver's program, and through a wide range of donations to programs and activities at local schools. CCU offers a variety of account services designed to help young people develop essential financial skills. These services include savings and checking accounts and debit cards.

In May, Jim Nick, announced his retirement from our board of directors. The board appointed Janel Doede to serve in his place. Many of our members will recognize Janel as a former, long-time CCU employee who retired in 2022. We welcome Janel to the board and look forward to her serving the credit union in this new role.

We will be launching an email communication platform soon and, if we have your email, sending you a member survey. Your feedback is invaluable to us. Your insights help us shape our services and ensure they meet your expectations. We will also soon be announcing a new way to make your loan payments at CCU with funds from another financial or with a debit or credit card. This is one of the most requested services from our members. We heard your feedback and are working to implement the payment solution option you requested.

Thank you for your continued trust and loyalty to CCU. We thank you for being part of our credit union family.
